

FUN, FUN, FUN..!

Introduce a real element of fun to your evening or daytime event with a 10stop Photo Booth.

Photo booths are a great way to capture memories of your occasion in a comical way that your guests can take home. We are professional photographers, so by choosing a 10stop Photo Booth you ensure top quality images from studio grade lighting, camera equipment and a quality high speed printer. We use an amazing inflatable photo booth 'cube' with colour change illumination to give a great fun party feel.

The 10stop Photo Booth includes a huge choice of dressing up props, a customised print template to suit your occasion and an instant print for your guests to take away. All images will then be available in your own gallery on our website for you and your friends to view and download FREE of charge.

So what's included ~

- Inflatable white photo booth cube*
- Unlimited photo booth visits
- Quality photography
- Instant prints (6x4 or 6x2)
- Dressing up props
- Customised photo template
- Your own gallery on our website with FREE downloads
- FREE Guestbook & 2nd set of prints
- Trained booth attendants
